

Dear Campers,

Thank you for choosing **Junior Music Camp, July 19-25, 2020!** We are working hard at making this year your best camp ever!

Our theme this year will reflect the Olympic Games that will be happening during our stay at camp. There will be a lot of Olympic activities and fun for everyone. Keep an eye on Instagram & Facebook for the latest on where our Torch will show up throughout the province! Facebook: Jacksons Point JMC2 Instagram: jacksonspointjmc2

There will only be a couple of theme days this year:

- 1) Team Canada Day – wear your CANADIAN attire! (hats, shirts, socks, whatever you’ve got!)
- 2) Team Day – wear your FAVOURITE TEAM’s jersey or swag!

We will still have all of the cool stuff that helps to make Music Camp unique, like band, vocal, theory, campfires, swimming, etc.! Plus there is the added bonus that these will be led by some of the most awesome instructors and cabin leaders in the entire country.

CAMP’S GOT TALENT - We will have the greatest talent show on earth! “Camp’s Got Talent” features celebrity judges, a live audience and gives you the chance to become the next, great Canadian superstar. If you sing, dance, do trick skipping, tell jokes, perform magic, or something else totally awesome please start practicing and plan to participate! There will be pianists/guitarists this year that can assist with musical accompaniment, if you have the sheet music with you. There will be “auditions” held on Sunday (after you’ve completed registration and testing), and also on Tuesday afternoon after swim time. (Please make sure that items are appropriate for a Christian camp & environment!)

ELECTIVES – This year we have lots of choices for you to pick from and take part in. They will be listed on the website registration for you to pick from. If you’re going to join the timbrel elective, please make sure you take your own tambourine to camp!

INSTRUMENTAL - If your intention is to learn how to better play your brass instrument or drums, please be sure to supply your own instrument for the week. Instruments are NOT provided by the camp – each camper must have their own upon arrival.

Finally, a reminder to your parents that Junior Music Camp registration is Sunday, July 19, 2020 at 2:00pm and the final program takes place on Saturday, July 25, 2020 at 10:00AM. **We do not have a concert on Wednesday night** which gives you extra time to rehearse and make Saturday’s final concert even better.

The countdown is on. Looking forward to seeing all of you on Sunday, July 19th.

God bless,

Mona
